EMERALD NECKLACE

Multi-stone emerald diamond necklace set in platinum

Worn by Scarlet Johansson at the 2020 Academy Awards

"As soon as I laid eyes on the two pear-shaped Forevermark Exceptional Diamonds, I knew the silhouette of my Olivia earrings was the perfect design to highlight the beauty of these on-of-a-kind stones."

*Dedication to our craft brings out the
Exceptional brilliance of a Premier Gem*

Only a select few diamonds become Forevermark Exceptional. And are kept separate from other diamond from the very first moment they are uncovered. Each Exceptional diamond must be at least three carats or larger and are accompanied by its own book which documents key milestones of the diamond's journey.
